

## Super Plus

Super Plus is a high quality encased awning system that fits snugly against the wall and offers all the convenience of a cassette awning.

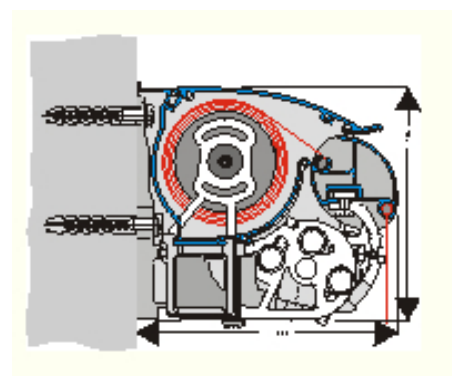

### Back Plate

Rounded design for a harmonious appearance from rear, protects the awning fabric.

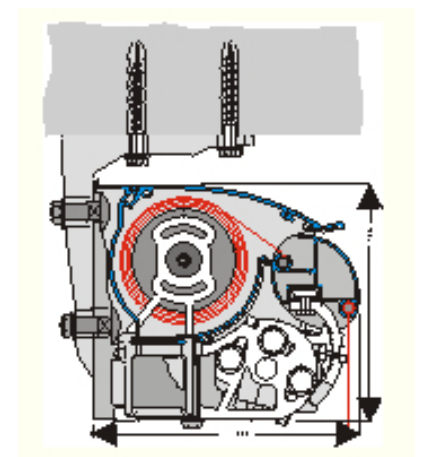

### Fabric cover shell

The optional fabric cover shell offers an elegant solution for concealing the fabric roller.

Special lengths on request.

#### Operating System

Manual or motorised.

#### Extras

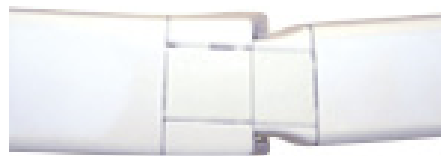

Sun and wind sensor,  
Roll Down valance,  
Front bar with integrated neon lighting.

#### Fabrics

Vast selection of PARA, Dickson and Recasens Colours.

#### Framework colours

-White colour RAL 9016  
-Special powder-coating available in other RAL colours (price increase)

#### Hinged arm joint

The plastic-coated double cables are designed for an extremely long service life.

- No soiling of the greased cables caused by exposure to the environment.
- Arm profile and cables of the same colour.

#### Arm bracket

Reliable and secure, the arm bracket is made from high-strength aluminium alloy. Its round design matches the colour of the fabric cover shell.

#### Front profile bracket

Joins the arms securely to the front profile and permits adjustment of the angle.
